

Dear Students and Parents,

Please complete all sections of this packet over the summer. All students entering fifth grade should read two novels over the summer, one of which should be Because of Winn Dixie. Students should also complete a book summary of this novel. Students will also be asked to complete a book review on another book of their choosing. If your child has any trouble choosing a book a list of suggested books has been included. Students are also asked to complete some math problems over the summer. These problems are a review of what was taught in fourth grade math. If students need more room to work on the problems than is provided, please allow them to use scratch paper. Students should also continue to work on the first in math website; this is a great resource that will be available through the end of July.

Please return the completed packet to school on the first day. These packets will be collected and checked. If you have any questions, please contact us by email over the summer. Thank you for all of your help and have a great summer!

Sincerely,

Mrs. Heather Foley

First in Math

Please take advantage of the First in Math program over the summer break. Students can use their User ID and Password to access this fun and educational program. To access the website go to www.firstinmath.com and enter your User ID. Then enter your password. You may then click on the go button to activate the timer and begin playing. Students can work at their own pace and level and earn electronic stickers as they go. As students complete various levels they will open up gym and bonus games. Have fun!

Name _____

Please complete these math problems over the summer. Try to work on a few each week .

Find the missing answer.

1. Factors: 68 and 40 Product= _____
2. Quotient: 3 Dividend:909 Divisor= _____
3. Factor: 6 Product: 180 Missing Factor= _____
4. Factors: 60 and 33 Product= _____
5. Sixty subtracted from what number is 90? _____

True or False?

- | | | | |
|----------------------------------|-----------------------|--------------------|------------------------|
| 6. $22 \times 19 = 19 \times 22$ | 7. $83 \times 0 = 83$ | 8. $5 - 3 = 3 - 5$ | 9. $12 + 11 = 11 + 12$ |
| _____ | _____ | _____ | _____ |

Finish the pattern.

10. 140, 160, 155, 175, 170, 190, ____ 11. 30, 33, 34, 37, 38, 41, 42, ____ 12. 1, 2, 4, 7, 11, 16, ____

Write in words.

13. 60,408 14. 701,000 15. 104,930 16. 5, 213

13. _____

14. _____

15. _____

16. _____

Multiply

16. $86 \times 47 = \underline{\hspace{2cm}}$ 17. $97 \times 43 = \underline{\hspace{2cm}}$ 18. $54 \times 90 = \underline{\hspace{2cm}}$ 19. $36 \times 95 = \underline{\hspace{2cm}}$

Divide

17. 1392 divided by 4 = 18. 5656 divided by 7 =

19. 3236 divided by 4 = 20. 7410 divided by 7 =

Find the average.

21. 88, 75, 60, 93 = 22. 46, 98, 74, 34 =

23. 64, 96, 72, 80 = 23. 73, 89, 67, 95 =

Word Problems.

24. Joe needs \$32 to buy 2 CDs. He has \$21. How much more does he need?

25. Sue read 72 books last year. Jeff read 96. How many more had Jeff read?

26. Kevin earned \$12.75 in tips as a caddy. He spent \$7.40 of it. How much does he have left?

Write the value of the underlined digit.

27. 264,908 28. 107,645 29. 275,136

30. Please create one word problem of your own.

Summer Reading

All students entering fifth grade are required to read the novel *Because of Winn Dixie*, by Kate DiCamillo during the summer break. Students should then complete the summary page.

Students are also being asked to choose another novel from the list below or another book on a fourth or fifth grade level to read. Students should complete a book review of the book they have chosen to read.

Novels to choose from include:

Maniac Magee by Jerry Spinelli

Zia by Scott O'Dell

Sing Down the Moon by Scott O'Dell

Ice Story by Elizabeth Cody Kimmel

Red Dog by Bill Wallace

Many Waters by Madeleine L'Engle

The Stonewalkers by Vivien Alcock

When the Road Ends by Jean Thesman

Shadow Boxer by Chris Lynch

Lostman's River by Cynthia DeFelice
