

Child's Name: \_\_\_\_\_

Dear Parents,

The reading assignment for the summer will be to have your child read to you or you read to them each day. Mark the days that you read on the calendar provided.

Have your child bring the calendar to class the first day of school.

Thank you,

Linda Gurka and Claire Furber

## Math

Students should be able to count, read and write numbers through 20.

Please print and use the following pages for practice writing the numerals from 1 – 20.

Use the word cards one through ten to review the number words from Kindergarten.

We will be learning the words eleven through twenty at the start of first grade if you want to start practicing.

<b>one</b>	<b>six</b>
<b>two</b>	<b>seven</b>
<b>three</b>	<b>eight</b>
<b>four</b>	<b>nine</b>
<b>five</b>	<b>ten</b>

eleven	sixteen
twelve	seventeen
thirteen	eighteen
fourteen	nineteen
fifteen	twenty

Please review these sight words with your child.

### How to use word cards with your child.

Review the list. Cut out the flash cards.

**Activity 1** Place three cards on the table. Name one of the words. Ask your child to find that word.

**Activity 2** Say a sentence with a missing word. (The ducks \_\_\_\_ on the pond.) Again display three word cards and ask your child to choose the one that belongs in the sentence.

**Activity 3** Say a word that is not from the list. Ask your child to find a word card that rhymes with your word. This will not work with all the words.

**Activity 4** Have your child make up sentences using the word cards.

When your child has mastered the words, you may flash the cards for review. Flashing cards is not a good way to learn the words.
