

Summer Science Assignment

7th and 8th grade students, it is never too early to start thinking about Science Fair. Your summer assignment is as follows:

- Research 10 topics that you may be interested in using for a science fair project
- Write 8 questions that you wish to answer and eventually design an experiment to test
- List 5 at least 5 sources that you might use for *each* question

Assignment is due Thursday, September 1,
2011.
