

KNOWLEDGE-A-THON

This is a fun opportunity for your child to study, learn, and be tested on 100 grade appropriate questions. Questions are available to print on the website. By helping your child study, you too will learn some interesting facts. Testing will take place on Thursday, March 1st and Friday, March 2nd, 2007.

All who participate will receive a small gift. Those children that receive 100% at the testing will receive a free dress down card they may use thru the end of the year (except on gym and litergy days).

PARENTAL PERMISSION IS REQUIRED for participation in the Knowledge-A-Thon. Attached is a permission slip. Please sign and return the lower portion of this paper to Tammy Boswell through the school office.

The following child/children have my permission to participate in the Knowledge-A-Thon.
